

(I've Been) Searchin' So Long

By James Pankow

As my life goes on I believe
Somehow something's changed,
Something deep inside
A part of me.
There's a strange new light in my eyes,
Things I've never known
Changing my life,
Changing me.
I've been searchin' so long
To find an answer.
Now I know my life has meaning,
Now I see myself as I am,
Feeling very free.
Life is ev'rything
It's meant to be.
When my days have come to an end,
I will understand
What I left behind:
Part of me.
I've been searchin' so long
To find an answer.
Now I know my life has meaning,
Searchin' for an answer,
To the question, "Who am I?"
Maybe it's true, it's only natural,
Good things in life take a long time.
